Title: Austral Rainbow

Artist: Michael J. Woodard

Subject: *Farrell Lines LASH Vessel in American Samoa – 1979*

This picture of the Farrell Lines Lighter Aboard Ship (LASH) vessel docked in Pago Pago was originally reproduced as a limited edition of 500 lithographs. Due to damage during storage, however, the original edition was reduced to 44 lithographs. Only 11 of these lithographs are still available for sale. A new reproduction of this picture has been issued as a slightly smaller, limited edition Gicl'ee print. These (456) Gicl'ee prints form the balance of the original limited edition in this size.
